

# 14 Reasons to Stop Everything and Return Your DCPS Enrollment Forms RIGHT NOW

1 You'll have first dibs on getting to know your principal and teachers!

2 When you drop off the forms, you'll learn exactly how long it takes to get to school.

3 **Going on vacation? No problem.** Turn in the paperwork first so you can relax on the beach!

4 Your school registrar will LOVE you!

5 Your child can start practicing with the school's sports team this summer.

6 Your child will know what uniform to wear.

7 You'll get your child's schedule in the mail before school starts!

8 Teachers can design and decorate their classrooms with your child in mind.

9 Long lines should be for amusement parks, not the first day of school. Avoid them completely by enrolling now!

10 Your school could win brand-new Apple computers if it reaches 100 percent enrollment this summer.

11 Your school can order exactly the right number of textbooks.

12 If you turn in the forms now, schools will know whether they need more teachers and can hire them sooner!

13 No more calls from DCPS. Phew!

14 Summer is more fun when you're already enrolled for next year. **#enrollDCPS**
